CORPORATION STATUS REPORT

The Ojai Valley Sanitary District Financing Corporation (OVSDFC) was formed in 1993 to facilitate the financing of the 1927 System Rehabilitation Project through the issuance of Certificates of Participation (COPs). The COP issuance also refinanced the outstanding portion of a 1978 Oak View Sanitary District Revenue Bond. In November 2002, OVSD authorized staff to proceed with the process of refunding the 1993 COP Issue. In January 2003, OVSD sold \$6,290,000 of Wastewater Revenue Refunding Bonds Series 2003; the proceeds from this sale were used to call the remainder of the 1993 Series COP debt issue in September 2003. The sale of the Refunding Bonds was reflected in OVSD's 2002/2003 audit; the close out of the 1993 Series COP issue was reflected in OVSD's 2003/2004 audit. The 1993 Series COP was closed out as of September 2003.

In December 2007, following your approval, the 2007 Series COP Issue in the amount of \$7,310,000 was sold. The OVSD executed a trust agreement with OVSDFC for the full face amount of the COP issue. The proceeds from this issue were used by OVSD to implement major portions of the March 2007 Collection System Capital Improvement Plan which included the Ventura Avenue Sewer Improvement Project.

Under current reporting standards OVSDFC is a blended component unit of OVSD; consequently, all financial transactions are reported in OVSD's annual audit.
