### AB 1661 COMPLIANCE – SEXUAL HARASSMENT PREVENTION TRAINING

In 2017 a new law, AB 1661, became effective. AB 1661 requires local agency legislative body members and any elected local agency officials who receive any kind of compensation, salary or stipend in the performance of his or her duties, to receive sexual harassment prevention and education training.

The training must be no less than two hours in length and is required within the first six months of taking office and every two years thereafter.

There is a similar law, AB 1825, which became effective in 2006 that requires the same Sexual Harassment Prevention Training for all managerial and supervisory staff. This training is also required every two years. Managerial and supervisory staff have been receiving this training every two years since 2006 and are due for training in 2018.

Consequently, Joan Willicombe from SAVE in Santa Barbara will be conducting this training for both the Board and the managerial/supervisory staff. SAVE administers the District's Employee Assistance Program.
