### **NOTICE OF MEETING CANCELLATION**

**NOTICE IS HEREBY GIVEN** that the Ojai Valley Sanitary District Board of Directors' regular meeting scheduled for **Monday April 27, 2020 at 6:00 p.m. has been cancelled.**

After consultation with the Chairman of the Board and Legal Counsel and after consideration of the significant health and safety issues relating to public meetings, the above action is taken.

This cancellation is in response to CDC Guidelines relating to at risk populations and Governor Newsom's Executive Order N-25-20 issued March 12, 2020 addressing the impacts of COVID-19 with the implementation of social distancing policies to minimize the potential spread of the virus.

The Governor's Executive Order also waives certain requirements of the Brown Act for local agencies to allow the business of these agencies to be done telephonically or by other electronic communications.

The Board of Directors is currently considering scheduling a Special Meeting at a future date to address ongoing District business through the use of some type of electronic communication that will meet the requirements of the Brown Act as modified by the Governor's Executive Order. A separate meeting notice will be posted with an agenda if a Special Meeting is scheduled.
