PACKET OF INFORMATION NOTICE

NOTICE IS HEREBY GIVEN that an Informational Packet regarding on-going Ojai Valley Sanitary District's business for the month of March 2020 has been distributed to the Board of Directors and is posted on the District's website at www.ovsd.org.

The purpose of this Information Packet is to keep the Board of Directors and the public updated on the District's business during this unusual time while adhering to Governor Newsom's Executive Order N-25-20 issued March 12, 2020 addressing the impacts of COVID-19 with the implementation of social distancing policies to minimize the potential spread of the virus.

The Governor's Executive Order also waives certain requirements of the Brown Act for local agencies to allow the business of these agencies to be done telephonically or by other electronic communications.

The next regularly scheduled Board of Directors' meeting is Monday April 27, 2020 at 6:00 p.m. If the Governor's Executive Order is still in affect at that time, or if a Special Meeting is required prior to that date, then an appropriate type of electronic communication that will meet the requirements of the Brown Act as modified by the Governor's Executive Order will be utilized.
